

CodeExcellence Ranks No. 28 on the 2012 PROFIT HOT 50

PROFIT Magazine unveils 13th annual list of
Canada's Top New Growth Companies

Calgary, September 7, 2012—PROFIT Magazine today ranked CodeExcellence NO. 28 on its 13th annual PROFIT HOT 50, the definitive ranking of Canada's Top New Growth Companies. Published in the October issue of PROFIT magazine and online at PROFITguide.com, the PROFIT HOT 50 ranks young firms by two-year revenue growth.

CodeExcellence helps companies mitigate risks from the complex task of building software products or enhancements with our continuous monitoring and governance solution. CodeExcellence made the PROFIT HOT 50 list for the first time with a two-year revenue growth of 284%.

"A talented and diverse group of entrepreneurs have built this year's HOT 50 companies," says Ian Portsmouth, Publisher and Editor-in-Chief of PROFIT. "Their creativity and ambition spell a bright future for their businesses, and point the way to success in Canada's ever-challenging economy."

"We are honoured to be on the PROFIT HOT 50 ranking," says CEO Roy Masrani. "This achievement is a testament to the hard work of the superb CodeExcellence team globally, and the ongoing support from all our customers, friends, and partners. It is good to be recognized for the hard work we have put in to the development of this company."
